Food & Allergies Policy

It can be confusing when trying to determine what food items are acceptable to bring to a class party, especially in terms of following the “No Peanut” policy. The policy was developed in response to the increasing number of children with peanut/nut allergies and the severity of those allergies, which can even cause death even if the nuts are just touched by the naked skin or nut residue is absorbed by the skin.

For that reason, any items with nuts and or peanut oil in the ingredients or products that state they are produced or may have been produced on shared equipment with other products that contain nuts, are not allowed in any of our centers.

To make sure everyone clearly understands what is and what is not allowed, we have made the following list:

NOT ALLOWED IN ANY CLASSROOM OR THE CENTER:

- Any item containing nuts
- Any item made with peanut oil (Chick-Fil-A uses peanut oil)
- Any chocolate candy that states it was produced or processed on shared equipment.
- Any prepackaged cakes or cookies was produced or processed on shared equipment.
- Any homemade foods.

Thanks for your consideration!
